EXPERIENCE

T-Mobile - Cincinnati, OH **August 2016 - Feb '18(Present)**

Mobile Expert

- Assessing customer needs for their monthly family rate plans doing a lot of quick mental math to combine financing of phones, tablets, speakers, accessories and phone lines
- Extensive troubleshooting of many generations of smartphones and tablets to either fix the customer's device or navigate the most cost effective replacement device
- I've met and surpassed monthly sales goals on several occasions despite a low volume store and was a top 6 Salesman for the month of March '17 of the whole Cincinnati South District of which there are 10 stores and nearly 80 Sales Associates

DHL Express - Erlanger, KY **February 2013 - March 2016**

Warehouse/Ramp Service Agent - Employee of the week honors June/July 2014

- Loading and unloading planes and ULDs, organizing and documenting international freight.
- Warehouse package handling and letter sorting in high volume of 180,000+ piece count per night

Customs Brokerage Formal Entry Agent **March 2015 - March 2016**

- Classified import shipments in compliance with government agency rules / regulations
- Processed all requests for extensions, expiration, cancellation and all government entries
- Applied for import/export permits and certifications of eligibility

St Dominic Church, Cincinnati

June 2011 - August 2011

Network/Software/Hardware Administrator/Technician

- Installed Servers, desktops, laptops, projectors, smartboards, LCD TV's
- Used Sys Prep and Image X to create and deploy custom Windows 7 images via the network
